In Loving Memory of A Fallen Officer

Police Officer Matthew J. Rittner

Medal of Honor Award
Purple Valor Award

On February 6, 2019, Police Officer Matthew Rittner and officers from the Tactical Enforcement Unit responded to the 2900 block of South 12th Street to execute a high-risk warrant. The team approached the residence and encountered a locked exterior door. With ease, the team breached the outer door and ascended the stairs to the upper level. At the top of the stairway the team was confronted with another locked door located in a very confined area. Because of the tight space, it was determined a one-man ram was required to access the point of entry. Numerous instructions and announcements were made to alert the occupants of police presence. Officer Rittner, a former U.S. Marine, left the safety of the officers that provided him with ballistic shield protection. With the one-man battering ram, Officer Rittner delivered two strikes. The second strike caused a hole in the door. Upon delivering the second strike, a suspect armed with a rifle, fired several rounds from the opposite side of the door at Officer Rittner and this team. Officer Rittner was severely wounded and subsequently succumbed to his injuries. Officer Rittner exhibited exceptional courage and bravery to accept the sole responsibility to breach the door in order to apprehend a violent criminal and protect Milwaukee and its residents. Officer Rittner paid the ultimate sacrifice. For his courage, bravery and loss, we will honor him in our hearts and in our memories. Thank you Matt.

District Three

Captain Jeffrey Norman

Police Sergeant Raymond M. Hewitt

Meritorious Service Award

On November 26, 2018, Sergeant Raymond Hewitt responded to the 2900 block of West Clybourn Street to investigate a suicidal, critical missing subject. Upon his arrival, Sergeant Hewitt observed the suicidal subject running on the rooftop of a building. The Milwaukee Fire Department responded to the location to provide officers with a ladder. Without hesitation, Sergeant Hewitt climbed onto the snow and ice covered roof and began engaging the subject in conversation. The subject continued to climb up the roof and eventually reached the third story of the building. Sergeant Hewitt established a rapport with the subject and subsequently convinced the subject to come down from the roof. Sergeant Hewitt escorted the subject to the ladder and assisted the Milwaukee Fire Department with the safe removal of the subject from the roof. The subject was taken to Milwaukee County Mental Health for further evaluation. The actions of Sergeant Hewitt prevented the subject, who was suffering a mental crisis, from injury or death.

On November 6, 2018, Sergeant Lassanske responded to the 2900 block of West Michigan Street for a subject with a gun complaint. Squads already on scene advised that a subject was standing in front of a building, armed with an AR-15 rifle and several handguns. The subject made threats to fire his weapons and informed officers that he had fired multiple weapons while on the roof of the nearby building an hour prior. Upon Sergeant Lassanske's arrival, he parked a safe distance away, and while on foot, approached the subject from behind. As Sergeant Lassanske approached the subject, he observed the subject had a rifle strapped over his left shoulder; the subject also had both hands in the air. In his right hand was a cell phone that was pointed toward the officers. The subject advised officers that he was "live-tweeting" the entire exchange. The subject's attention was directed toward the officers in front of him, and he was unaware that Sergeant Lassanske was approaching slowly from behind. Sergeant Lassanske ran toward the subject from behind, simultaneously gained control of the subject's arms and decentralized the subject. His actions prevented the subject from accessing his firearms until officers were able to handcuff him. A rifle and three handguns were recovered. Sergeant Lassanske demonstrated extreme bravery that led to the arrest of an armed suspect without injury to the suspect, officers, or citizens.

Mr. Larry HollandMeritorious Conduct Award

On December 17, 2018, Mr. Holland was in the area of the 1600 block of North Hawley Road when he observed a vehicle on fire. He further observed a male subject who appeared to be unconscious, slumped over the steering wheel. Mr. Holland approached the burning vehicle, pulled the citizen from the vehicle, and moved him out of harm's way. The Milwaukee Fire Department arrived on scene and extinguished the fire. Mr. Holland remained on scene to further assist authorities and provided information about the events that occurred. It was later learned that the citizen, while driving, suffered a stroke that caused the accident that resulted in the vehicle fire. The citizen was safely transported to a hospital for medical treatment. Mr. Holland called the Milwaukee Police Department to follow up on the condition of the citizen and offered a prayer for him. Mr. Holland's willingness to put his life on the line for a complete stranger is commendatory. His selfless actions were instrumental in saving the life of the citizen.

Police Officer Irving R. Hernandez-Maestre

Police Officer Joseph E. Laspisa

Police Officer Jonathan M. Miller

Lifesaving Award

On November 28, 2018, Officer Hernandez-Maestre, Officer Laspisa and Officer Miller responded to the 6300 block of North 91st Street for a shooting. Upon their arrival, they located a shooting victim lying on the ground, suffering a gunshot wound to his upper groin area. In an attempt to stop the bleeding, Officer Miller applied pressure to the wound. Officer Laspisa, a trained combat lifesaver in the United States Marine Corps, knelt on the victim's upper groin area and began to assess the victim's injuries. Officer Laspisa determined that a tourniquet would not be effective as the wound was high and the amount of blood observed on the ground surrounding the victim was excessive. Officer Hernandez-Maestre relieved Officer Laspisa; Officer Miller continued to keep the victim alert, while Officer Laspisa retrieved a medical trauma pack from his squad. As a result of Officer Laspisa's medical training, he applied a combat style roll of gauze to the victim's wound and continued to apply pressure until the Milwaukee Fire Department arrived. The heroic actions of the officers were instrumental in saving the life of the victim.

Police Officer Charrita L. Townsend

Police Officer Ryan D. Webb

Police Officer Eian B. West

Lifesaving Award

Police Sergeant Troy P. Johnson

Police Officer Nathan L. Woods

Meritorious Service Award

On April 2, 2019, a City of Milwaukee parking enforcement officer, while on patrol, observed a vehicle illegally parked. After he placed a parking ticket on the vehicle two suspects confronted and engaged in an argument with the enforcement officer. The suspects assaulted the parking enforcement officer and stabbed him multiple times. The parking enforcement officer sustained severe injuries but gathered enough strength to drive to the District Four Police Station. Upon his arrival, he exited his assigned work vehicle and collapsed on the ground. Police Officer Woods peered out of the station office window, observed the victim fall to the ground and notified Sergeant Troy Johnson. Sergeant Johnson immediately ran outside and requested medical attention, additional squads, and a first aid kit. Sergeant Johnson instructed Police Officer Ryan Webb to apply pressure to the wounds. Police Officer Charrita Townsend retrieved the first aid kit. She and Police Officer Eian West applied pressure to the stab wounds. Sergeant Johnson instructed Officer Nathan Woods to respond to the Milwaukee Fire Department fire station, located on an adjacent parking lot, for immediate medical assistance.

District Four

Captain Heather Wurth

Although the victim was in severe pain and distress, he provided Sergeant Johnson with a description of the suspects. The description was broadcasted to responding officers. The suspects were located, arrested and conveyed to the Police Administration Building. The suspects provided a full confession. Sergeant Johnson, Officers Townsend, Webb, West and Woods quick and decisive actions saved the life of the parking enforcement officer.

Police Officer Anthony S. Presti

Lifesaving Award

Police Officer Charles A. Copeland

Police Officer Conway Nimmer, Jr.

Meritorious Service Award

On January 5, 2019, Officer Copeland, Officer Nimmer and Officer Presti responded to a suicide attempt. It was reported that the subject was bi-polar and violent, took a large amount of pain pills, and locked herself inside a bathroom. Upon their arrival, Officers Copeland and Presti made numerous attempts to contact the subject by knocking on the door and contacting family members. Concerned for the subject's well-being, Officer Copeland kicked in the door and forced entry into the apartment. Upon entering the apartment, Officer Presti observed the subject seated on the window ledge outside the apartment building. Officer Presti methodically approached the subject from behind, grabbed her upper torso and pulled her inside the apartment to safety. The officers intervened in a suicide attempt and succeeded in preventing the loss of a life.

Mrs. Ladonna M. Davis

Valorous Conduct Award

On March 8, 2019, Mrs. Davis, a registered nurse, was at the Walgreens located at 9040 West Good Hope Road. As she exited the store, she heard a female scream for help. She approached the female and observed a male subject in the driver's seat of a vehicle. Mrs. Davis pulled the subject from the vehicle and placed him on the ground. She noticed the subject's breathing was extremely shallow. As Mrs. Davis performed CPR on the subject, she was informed the subject just used heroin and overdosed. Mrs. Davis instructed a citizen to go inside Walgreens and request Narcan from the pharmacy. Mrs. Davis continued CPR for several minutes until the pharmacist responded and provided her with the Narcan. Mrs. Davis administered the Narcan and the subject's breathing returned to normal, and he became alert. The Milwaukee Fire Department arrived and provided medical attention. Mrs. Davis' quick thinking and heroic actions saved the life of the citizen.

Mr. Ryan P. Cronin

Mr. Daniel J. Lang Meritorious Conduct Award

On June 7, 2018, Police Officer Charles Irvine Jr. and his partner Officer Matthew Schulze were in pursuit of a vehicle when their squad lost control and was involved in a roll-over crash. As Mr. Ryan Cronin drove home, he approached the intersection and noticed the overturned squad. Mr. Cronin, a trained EMT, pulled over to render aid. Mr. Cronin's co-worker, Mr. Daniel Lang, was on the same road and also immediately stopped to render aid. Mr. Cronin approached the crash site and became aware of Officer Schulze's attempt to free himself. Mr. Cronin asked Mr. Lang to stay with Officer Schulze while he checked the squad for another officer. Mr. Cronin located Officer Irvine and determined he suffered catastrophic injuries and shielded him from the view of the public. In an attempt to provide comfort, Mr. Cronin held Officer Irvine's hand and talked to him. Mr. Cronin assisted the Milwaukee Fire Department and performed CPR. Mr. Lang remained with Officer Schulze to keep him calm and alert. Officer Irvine succumbed to his injuries related to the crash, and Officer Schulze was treated for significant injuries. Mr. Cronin and Mr. Lang's rapid response and actions to render aid exemplified extreme courage and compassion. Their outstanding actions went beyond an ordinary citizen response and will be forever commended by the Milwaukee Police Department.

Mr. Christopher Davis

Meritorious Conduct Award

On April 6, 2019, a subject driving while under the influence of an intoxicant struck an occupied vehicle. A woman in her 20's suffered fatal injuries and died at the scene. Armed Security Officer Christopher Davis was in the area of the crash and observed the intoxicated subject flee on foot. Mr. Davis followed the subject and located him hiding behind a storage shed. Mr. Davis ordered the subject to the ground and placed him into custody without incident. The subject admitted to Mr. Davis that he was the driver of the striking vehicle. The subject also admitted he had two prior OWT's. Mr. Davis conveyed the subject to the original crash scene and turned the subject over to police. Mr. Davis' keen observation, brave actions and dedication to help others led to the arrest of the person responsible for the unnecessary loss of life.

Police Officer Aaron V. Frantal

Police Officer Michael T. Valuch, Jr. Meritorious Service Award

On November 19, 2018, the Milwaukee Police Department responded to the 2700 block of North 13th Street for the report of a shooting. Upon their arrival, officers located a 13 year old child that had been shot and succumbed to her injuries.

District Five

Captain Boris Turcinovic

Officer Frantal and Officer Valuch responded to the area to check for subjects possibly involved in the homicide. Upon their arrival, they observed a subject, wearing all black, in the middle of the roadway. The subject was standing next to a parked vehicle and upon the site of police fled on foot. Officers Frantal and Valuch interviewed the witness inside the parked vehicle and obtained a name, address and description of the subject who fled. The interview also revealed that the subject was armed with a large rifle. Officers Frantal and Valuch coordinated with responding squads and the Tactical Enforcement Unit to check for the suspect at the address provided. The suspect was taken into custody, and during the search of the residence, the weapon potentially used during the incident was located. Officer Frantal and Officer Valuch's attention to detail and situational awareness to the gravity of the circumstances resulted in the identification and arrest of the subject wanted for the homicide of the 13 year old child.

Mr. Ahmed N. Alhamadani

Valorous Conduct Award

On March 22, 2019, Mr. Alhamadani was traveling south on Teutonia Avenue when he observed a vehicle traveling north. The vehicle left the roadway, crossed the sidewalk, struck a pedestrian, and pinned her against a building. The driver exited the vehicle, pushed it off the pedestrian and fled on foot. Mr. Alhamadani stopped his vehicle and ran to assist the citizen. Mr. Alhamadani assessed the citizen's injuries, noticed her right leg sustained serious injury and was bleeding profusely. Mr. Alhamadani retrieved a cell phone charging cable from his vehicle and applied it as a tourniquet to her leg. He also remained at the scene and provided officers a detailed description of the subject that fled. The citizen was transported to a hospital for medical attention. Due to the severity of the injuries sustained, the citizen's leg was amputated. As a direct result of the heroic and selfless actions of Mr. Alhamadani, the citizen survived her injuries.

District Six

Captain Kristin Riestra

Police Officer Ethan A. Osmak

Lifesaving Award

On February 27, 2019, Officer Osmak and Officer Graczyk responded to the report of a 24 year old female who overdosed on heroin. Upon arrival, a citizen stated the female was not breathing. Officers observed her lying motionless on the floor; her lips turned blue. Officer Graczyk immediately administered Narcan. Officer Osmak administered chest compressions for almost three minutes when the female began to breathe on her own. The Milwaukee Fire Department arrived on scene, provided medical attention and transported the female to the hospital. Officer Osmak's actions saved the life of the citizen.

District Six

Captain Kristin Riestra

Police Officer Ryan W. Rediske

Police Officer Mark J. Sheremeta

Lifesaving Award

On March 8, 2019, Officer Rediske and Officer Sheremeta were dispatched to a call of an injured/sick person. They were informed a female lost consciousness, turned blue and was unresponsive. Officer Rediske arrived and observed the female lying lifeless on the living room floor. Officer Rediske determined the subject was pulseless and not breathing; he immediately administered CPR. Officer Sheremeta determined the female possibly overdosed and administered Narcan. The female did not respond to the Narcan and Officer Sheremeta took over chest compressions. The female became responsive and started to breathe on her own. Medical attention arrived and the female was transported to a hospital. Officer Rediske and Officer Sheremeta's quick and decisive actions saved the life of the citizen.

Mr. Gerald D. Zarling

Meritorious Conduct Award

On November 30, 2018, a truck driver parked his semi-trailer truck at the loading dock of a business. As the driver worked between the truck and the loading dock, the truck rolled backwards and crushed him between the truck and the dock. Mr. Gerald Zarling, also a truck driver, heard the victim screaming and calling for help. Mr. Zarling responded to the screams for help and located the driver trapped at the loading dock. Mr. Zarling ran to the front of the semi, jumped into the cab, and pulled the truck forward, releasing the truck driver from the dock. Mr. Zarling summoned medical attention, and the truck driver was taken to a hospital and treated for his injuries. Mr. Zarling's selfless and heroic actions were instrumental in saving the life of the truck driver.

District Seven

Captain Willie Murphy

Police Officer Daniel A. Sturma

Meritorious Service Award

On November 21, 2018, Officer Sturma was off duty and in route to work to report for his tour of duty when he observed a vehicle parked on the shoulder at the top of the Daniel Hoan Memorial Bridge. Officer Sturma took the initiative to turn around and return to the top of the bridge to check the welfare of occupants inside the vehicle. Upon his return, Officer Sturma observed and made contact with a subject who was visually upset and crying inside of the vehicle. Officer Sturma engaged the subject in conversation and learned that the subject had driven himself to the location to commit suicide. Officer Sturma contacted emergency response services to request additional assistance for the subject. Officer Sturma remained with the subject and continued to engage him in conversation until resources from the Milwaukee County Sheriff's Office and Milwaukee Police Department arrived on scene. Officer Sturma's off duty actions directly impacted an individual in crisis and aided in the preservation of life.

Paramedic Firefighter Josh Long Valorous Conduct Award

On February 6, 2019, the Milwaukee Police Department Tactical Enforcement Unit conducted a high risk arrest warrant in the 2900 block of S. 12th Street. The Milwaukee Fire Department (MFD) Tactical Emergency unit also responded to the scene due to the nature of the warrant. During the execution of the warrant, the suspect discharged a rifle from inside of the residence at the TEU team. Police Officer Matthew Rittner was gravely wounded and succumbed to his injuries.

To breach the locked entry on the second level of the residence, Officer Rittner assumed the duties of the one-man ram. Officer Rittner was the first in the line of fire, followed by Officer Lane Grady. As shots rang out, Officer Rittner collapsed. In milliseconds, Officer Lane Grady advanced and provided cover from additional gunfire for his remaining team members. Despite the trauma and overwhelming emotional adversity, Officer Grady recognized the suspect's intent to surrender. Officer Grady gave clear commands to the suspect that resulted in arrest. Officer Grady remained professional and showed amazing restraint. Officer Grady's quick decision making abilities can only be described as truly extraordinary.

After Officer Rittner was wounded, the unit transitioned its role into that of an officer rescue. Sergeant Bradley Buddenhagen, Officer Trevor DeBoer, Officer Erin Tischer, Officer Kent Tuschl and Officer Matthew Zaworski carried Officer Rittner away from the residence. The team began tactical emergency critical care. Officer Nikhom Lee maintained lethal cover to protect the rescue team from additional gunfire as they cared for Officer Rittner.

Milwaukee Fire Department Paramedic Firefighter Amber Buschmann and Milwaukee Fire Department Paramedic Firefighter Josh Long quickly went to Officer Rittner's aid, assessed his condition and administered lifesaving efforts. MFD personnel are unarmed, but Buschmann and Long exposed themselves to great risks and danger to provide medical attention to Officer Rittner.

Specialized Patrol Division

Captain Derrick Harris

Buschmann and Long were also liaisons and coordinated the arrival of a medical unit and other MFD resources. Buschmann, Long and MFD personnel bridged the gap from the scene of the incident to the hospital.

As Rittner received medical attention from Buschmann and Long, Sergeant Buddenhagen, Officers Grady, Tischer, Zaworski and Orlando returned to the residence to engage the threat. The suspect and several other individuals were taken into custody without further incident.

For exceptional bravery demonstrated at the risk of losing his own life for the lives of his team, Officer Grady is awarded the highest award granted by the Milwaukee Police Department, the Medal of Honor.

For the demonstration of exceptional courage and performance of their duties in an extremely dangerous situation, Sergeant Buddenhagen, Officers DeBoer, Lee, Orlando, Tischer, Tuschl and Zaworski are awarded the Medal of Valor Combat.

For the response that went well above and beyond the call of duty and at the risk of their own safety, MPD honors MFD Paramedic Firefighter Amber Buschmann and MFD Paramedic Firefighter Josh Long with the Valorous Conduct Award.

Police Officer Mark S. Lentz

Purple Valor Star Award

On August 3, 2017, Officer Lentz, assigned to the Motorcycle Unit, conducted traffic enforcement on the 400 block of North 27th Street. Officer Lentz identified a speeding motorist, activated his lights and siren and entered the roadway. As he attempted to stop the speeding motorist, a vehicle struck him from behind. Officer Lentz was ejected from his motorcycle and suffered several injuries. The striking vehicle fled from the scene. The investigation revealed the incident was not an accident. It was, in fact, a coordinated plan between the striking auto and the targeted vehicle of the traffic stop to hurt Officer Lentz. Months after the incident, PO Lentz began to show signs of traumatic brain injury and nerve damage. Officer Lentz lost the ability to speak and suffered substantial memory loss. Officer Lentz sustained serious and permanent impairment. We recognize Officer Lentz today for his sacrifice and that of his family as he protected and served the citizens of the City of Milwaukee and the Police Department.

Police Officer Alberto Figueroa

Purple Valor Star Award

On January 21, 2019, Officer Alberto Figueroa conducted traffic enforcement and stopped a vehicle for a broken tail lamp. Officer Figueroa approached the vehicle and began to speak with the occupants. Two vehicles were observed driving recklessly in the direction of the traffic stop.

Specialized Patrol Division

Captain Derrick Harris

One vehicle crashed violently into a vehicle parked behind Officer Figueroa's squad. The second reckless vehicle crashed into Officer Figueroa, and trapped him between the two vehicles. The Milwaukee Police Department was fortunate to have not experienced an in the line of duty death between September 7, 1996 and June 7, 2018, a total of 22 years. During that time period, the activities of the Honor Guard primarily consisted of casket watch at funerals of retired MPD officers and the presentation of colors at various events, ceremonies and memorials.

Between June 7, 2018 and February 6, 2019, the department tragically experienced three in the line-of-duty deaths. The Honor Guard was called to serve in a much different role; to provide honors to our fallen officers. The planning, coordination and their execution of these honor guards were a tremendous undertaking. Members of the Honor Guard rearranged schedules, cancelled vacations, off days and worked tirelessly to provide an Honor Watch for each fallen officer. Their dedication to the mission they were asked to perform cannot be overstated. They endured a physical and emotional toll, as they were required to be at their best for each and every task, not once, but three times. The members of the Honor Guard performed the most solemn and noble task they could be asked to perform. They gave their best to honor the lives lived and lost. The Milwaukee Police Department is fortunate to have an Honor Guard that performed their duties with dedication, honor and respect.
